REDBANK VALLEY SCHOOL DISTRICT
2021-2022
SUPERINTENDENT: AMY RUPP
BOARD PRESIDENT: WILLIAM REDDINGER**

GOAL	RESULTS	STATUS
The Superintendent will provide instructional leadership to the administration and staff to maintain or improve overall test scores and student growth.	Test scores have maintained at or above current levels in English Language Arts and Science. There is still work to be done in the area of math. Plans are in place for continued improvement.	GOAL MET
The Superintendent will perform a needs assessment and identify projects to be funded through the COVID relief (ESSER) funds.	Projects in process include the HVAC system and auditorium upgrade as well as dishwasher and bleacher replacement. In addition, educational and technology updates have been purchased with these funds based upon need.	GOAL MET
The Superintendent will implement a plan to increase communication between all stakeholders through email and social media updates. This will occur on a regular basis.	There is a daily #180daysoflearning post on Facebook. All COVID-related information is sent through the One Call system. Regular communications are sent to all stakeholders.	GOAL MET
