ONE CALL NOW

Keeping parents informed is a top priority at Redbank Valley. That is why we have adopted the ONE CALL NOW Notification Service which will allow us to send a telephone message to parents providing important information about school events or emergencies. In the event of an emergency at school, you will be informed immediately by phone.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that the school has your most current phone numbers. If this information changes during the year, let us know immediately by sending an email to msnyder1@redbankvalley.net. If your email changes throughout the year, please email your updated address to emailchanges@redbankvalley.net.

What you need to know about receiving calls through ONE CALL NOW:

Be sure to say "Hello" when you answer the phone. The technology must hear a voice to deliver.

ONE CALL NOW will leave a message on any answering machine or voicemail. If any problems occur, or part of a message is missed, press any number between 1-9 to restart the message.

STUDENT RIGHTS & RESPONSIBILITIES

The Board has authority and responsibility to establish reasonable rules and regulations for the conduct and deportment of students of the district. At the same time, no student shall be deprived of equal treatment and equal access to the educational program, due process, a presumption of innocence, and free expression and association in accordance with these guidelines.

Attendant upon the rights established for each student are certain responsibilities which include respect for the rights of others, obedience to properly constituted school authority, and compliance with the rules and regulations of this district.

According to the Pennsylvania School Code (22 PA Code 12.2):

(a) Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.

(b) No student has the right to interfere with the education of his fellow students. It is the responsibility of each student to respect the rights of teachers, students, administrators, and all others who are involved in the educational process.

(c) Students should express their ideas and opinions in a respectful manner.

(d) It is the responsibility of the students to conform with the following:

1. Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them. Students should assume that, until a rule is waived, altered or repealed in writing, it is in effect.
2. Volunteer information in matters relating to the health, safety, and welfare of the school community and the protection of school property.
3. Dress and groom so as to meet fair standards of safety and health, and not to cause substantial disruption to the educational processes.
4. Assist the school staff in operating a safe school for all students enrolled therein.
5. Comply with Commonwealth and local laws.
6. Exercise proper care when using public facilities and equipment.
7. Attend school daily and be on time at all classes and other school functions.
8. Make up work when absent from school.
9. Pursue and attempt to complete satisfactorily the courses of study prescribed by Commonwealth and local school authorities.

10. Report accurately and not use indecent or obscene language in student newspapers or publications.

Parent RIGHTS for instructional materials and student surveys

In accordance with Redbank Valley School District Policy 235, parents have the right to inspect all instructional materials. In addition, parents have the right to inspect, upon request, any survey created by a third party prior to administration or distribution to a student. Such requests are to be in writing and submitted to the building principal prior to distribution.

ATTENDANCE POLICY

The Board requires that school age students enrolled in district schools attend school regularly, in accordance with state laws. The educational program offered by the district is predicated upon the presence of the student and requires continuity of instruction and classroom participation in order for students to achieve academic standards and consistent educational progress. Attendance shall be required of all students enrolled in district schools during the days and hours that school is in session, except that the principal may excuse a student for temporary absences when receiving satisfactory evidence of mental, physical, or other urgent reasons that may reasonably cause the student's absence. Urgent reasons shall be strictly construed and do not permit irregular attendance. The Board considers the following conditions to constitute reasonable cause for absence from school: Title 22 Sec. 11.26

1. Illness.
2. Quarantine.
3. Recovery from accident.
4. Required court attendance.
5. Death in family.
6. Family educational trips. (see Educational Tours And Trips)
7. Educational tours and trips. (see Educational Tours And Trips)

Absences shall be treated as unlawful until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence. A maximum of ten (10) days of cumulative lawful absences verified by parental notification or a doctor's note will be permitted during a school year. All absences beyond ten (10) cumulative days or 3 cumulative illegal days shall require an excuse from a licensed physician. This includes tardies and early dismissals.

The Board may report to appropriate authorities infractions of the law regarding the attendance of students below the age of seventeen (18). The Board shall issue notice to those parents/guardians who fail to comply with the statutory requirements of compulsory attendance that such infractions will be prosecuted according to law.

Attendance need not always be within school facilities. A student will be considered in attendance if present at any place where school is in session by authority of the Board; the student is receiving approved tutorial instruction, or health or therapeutic services; the student is engaged in an approved and properly supervised independent study, work-study or career education program; the student is receiving approved homebound instruction.

Title 22 Sec. 11.21 All absences occasioned by observance of the student's religion on a day approved by the Board as a religious holiday shall be excused. A penalty shall not be attached to an absence for a religious holiday. The Board shall, upon written request of the parents/guardians, release from attendance a student participating in a religious instruction program acknowledged by the Board. Such instruction shall not require the child's absence from school for more than thirty-six (36) hours per school year, and its organizers must inform the Board of the child's attendance record. The Board shall not provide transportation to religious instruction. A penalty shall not be attached to an absence for religious instruction.

SC 1329 Title 22 Sec. 11.41 The Board shall permit a student to be excused for participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group upon written request prior to the event.

Title 22 Sec. 11.23, 11.25 The Board will recognize other justifiable absences for part of the school day. These shall include medical or dental appointments, court appearances, and/or family emergencies.

The Board shall excuse the following students from the requirements of attendance at the schools of this district: SC 1330 1. On certification by a physician or submission of other satisfactory evidence and on approval of the Department of Education, children who are unable to attend school or apply themselves to study for mental, physical or other reasons that preclude regular attendance.

Title 22 Sec. 11.5, 11.32 Students enrolled in nonpublic or private schools in which the subjects and activities prescribed by law are taught, except that such students and students attending college who are also enrolled part-time in the district schools shall be counted as being in part-time attendance in this district. SC 1327 3. Students fifteen (15) or sixteen (16) years of age whose enrollment in private trade or business schools has been approved. SC 1330 4. Students fifteen (15) years of age, and fourteen (14) years of age who have completed sixth grade, who are engaged in farm work or private domestic service under duly issued permits. SC 1330

Title 22 Sec. 11.28 Students sixteen (16) years of age regularly employed during the school session and holding a lawfully issued employment certificate. The Board may excuse the following students from the requirements of attendance at district schools: Title 22 Sec. 11.22 1. Students receiving tutorial instruction in a field not offered in the district's curricula from a properly qualified tutor approved by the Superintendent, when the excusal does not interfere with the student's regular program of studies. Title 22 Sec. 11.34 2. Homebound children unable to attend school on the recommendation of the school physician and the school psychologist or a psychiatrist and approval of the Secretary of Education. SC 1327 3. Students enrolled in special schools conducted by the Intermediate Unit or the Department of Education.

There is a correlation between regular school attendance and achievement. Therefore, students are strongly urged to avoid being absent from school.

The following regulations govern student absences:

Please note the following as it pertains to attendance:

Unlawful or Illegal = absences by students 17 years of age and younger that are not accompanied by an approved excuse

Unexcused = absences by students 18 years of age and older that are not accompanied by an approved excuse

1. All illegal absences will result in the following discipline:

- a) First offense- written reprimand and parental notification.
- b) Second offense- one hour detention.
- c) Third offense- two hour detention.
- d) Subsequent illegal absences will result in In-School Suspension.

When three illegal absences have accumulated, the parents or guardians will be notified that additional illegal absences will result in legal action being taken in accordance with the Pennsylvania School Code. Such legal action may result in fines up to \$300.00 per illegal day **and may also include a suspension of driver's license or a delay of receiving a driver's license.**

- 2. Students aged 17 or less who miss school illegally four times or more will be reported to the District Magistrate.
- 3. Students aged 18 and over missing school without a legal excuse will be placed in the school's disciplinary procedures, which could lead to expulsion from school **and/or loss of prom and/or participation of graduation commencement ceremonies.**
- 4. Student attendance will be taken at the beginning of homeroom period.
- 5. Students reporting to school after 8:00 A.M. will be considered tardy to school and must report directly to the Attendance Office, and obtain an admittance pass. The student should bring his/her tardy excuse signed by his/her parent/guardian with them.
- 6. Any student who is absent the school day before should bring his/her excuse signed by his/her parent or guardian/doctor on the day he/she returns to school.
- 7. Being late to school due to car trouble when busing is available is unexcused.
- 8. Excuses not acceptable under the Pennsylvania Compulsory School Laws, although signed by their parent/guardian and brought to school within three days following the absence or tardy, will be considered unexcused and/or illegal.

9. The administrative office will make the final determination on whether an absence or tardy will be considered legal.
10. Any student failing to submit an excuse within three days upon return to school will be counted as unexcused / illegal, regardless of the reason for the absence. Excuses submitted after the 3-day limit will not be accepted, and the dates will remain unexcused/illegal.
11. In compliance with the Compulsory Attendance Laws, the principal has the right to require students to present a doctor's or school nurse's excuse for each absence. The parent/guardian will be notified when such excuses are required. These will be sent to the parent/guardian for the following reasons:
 - a. Student has missed five or more days during any marking period of the school year;
 - b. Student has accumulated 10 absences
12. Students participating in extra-curricular activities, including athletics, band, choir, school plays, color guard, etc. must be in attendance by the end of the first period in order to participate in that day's activity. Only the building principal may waive this rule in extenuating circumstances, such as a funeral, or Doctor/Dentist appointment.
13. After an accumulation of five (5) unexcused tardies or three (3) unexcused absences, students participating in extra-curricular activities will lose the privilege to participate in that activity or any other activity for up to the remainder of the year.
14. Tardiness to school or absence following late night activities may result in the student being denied the privilege of participating in the next scheduled practice, competition or performance.
15. A student who has 30 or more unexcused absences from any scheduled class will receive no credit for that class. This total includes both unexcused and illegal absences.

TARDINESS TO CLASS

The following guidelines will govern students who are tardy to class:

1. No late passes between classes will be issued by the Main or Guidance Office;
2. If a student is late to class without written excuse, the teacher will record the lateness and report the infraction in Synergy according to the disciplinary code;
3. Any student detained in the office or by a teacher should ask for an excuse from the person detaining the student before going to class. Such tardiness should be marked excused and should not count against the student; and
4. Repeated tardiness will result in penalties as described in the disciplinary code and may include legal action (fines) being taken.

MAKING-UP WORK

Students are responsible for any and all work missed while absent from school. The following guidelines govern make-up work for absences:

1. Credit for make-up work will be limited to those days the pupil was legally absent.
- 2. Class work missed by a student on the day, or class period, of an unexcused or illegal absence cannot be made up. Zeros will be given for all graded work missed.**
3. If it is known that a student is going to be absent for a minimum of two school days, the Guidance Office will collect assignments from the student's teachers. The parent or student should call 275-2424 on the second day of absence between the hours of 7:30 AM and 8:00 AM in order to request homework. Most teachers post assignments to Google Classroom, so homework assignments are readily available online.
4. For an absence of less than two days, assignments should be obtained from the teacher's Google Classroom.
5. When a student returns from an absence, he/she has two (2) days to make arrangements with the teachers regarding make-up.
6. All make-up work should be completed within one (1) day for each absence after arrangements have been made unless the absence was extended or there exists other mitigating circumstances rendering this impractical. Exceptions must have the approval of the principal.
7. In the event of OSS (out of School Suspension) or ISS (in school suspension), the student is responsible for all work missed in the classroom. Teachers will provide daily work electronically through Google Classroom and/or district email. This work needs to be completed and submitted each day. It is the student's responsibility to submit all work electronically to the teachers each day. If work is not submitted by 3:10 each day, the assignment will be graded as a zero. The public library may be utilized for Internet if needed.

REQUEST FOR EARLY DISMISSAL

Early dismissal from school will be granted for the same reasons allowable for legal absences (see ATTENDANCE POLICY #204). A written request from a parent/guardian for early dismissal should be presented to the attendance officer in the morning. The early dismissal time is when the student will leave the school not the appointment time. If the excuse is accepted, the student's name will appear on the absentee sheet. The student must sign-out in the main office when leaving the building for an early dismissal and sign back in upon his/her return.

Parents are encouraged to schedule doctor and dentist appointments after school hours. Students returning to school after appointments are required to submit to the attendance officer the doctor's professional / appointment card, signed by the doctor or his/her staff.

Early dismissal requests for hair appointments, work, shopping, concerts, professional sports, etc., will be considered unexcused. Students leaving for these reasons will receive a failing grade for all school work missed due to this being an unexcused absence.

Educational Tours And Trips

A student may legally make a trip of an educational nature with their parents or guardians. However, the school does not encourage such trips and such absences are limited to (5) school days per year. The Board may excuse a student from school attendance to participate in an educational tour or trip not sponsored by the district if the following conditions are met. Parents/Guardians who request to have a child or children excused from school for an educational trip will be bound by the following requirements:

1. Parents/Guardians must accept full responsibility for requesting the absence of a student(s) from school
2. The request must be submitted on a Student Educational Trip Form, supplied by the district, and presented to the high school office ten (10) days prior to the trip.
3. Requests must be limited to five (5) school days per school year.
4. Requests must list educational activities to be covered during the trip. A follow up Google assignment (Google Slides presentation- 2 slides per day that include pictures and captions, 1 slide at end to explain in written form the educational experience) will be due to the school office no later than 14 days upon return. This may be sent to the principal via email.
5. Parents/Guardians are responsible to see that school work is made up within one (1) week following the student's or students' return to school. It is the student's responsibility to gather missed work.
6. Failure to follow these procedures will result in all absences due to the trip being marked unexcused.

Redbank Valley Cyber School

Beginning in the fall of 2022, Redbank Valley is partnering with Titusville School District to offer the GO ROCKETS Cyber School for students in the Redbank Valley School District.

The Rockets Online Campus (ROC) offers students choices to guide their educational experience. The ROC is superior to other cyber schools in the following ways:

Locally created and supported curriculum.

Live teachers available on a daily basis.

Consistent and easy-to-use format for each lesson in all courses.

All educational and technology resources provided to you.

The ROC prides itself in providing support to the students and their families. Their team will work to support students and families as they navigate their online educational journey. Any parent interested in this model of education should contact their child's school and speak to the principal.

Enrollment in the ROC program enables the student to participate in Redbank Valley sports, activities, dances, prom, and graduation.

GUIDANCE COUNSELOR SERVICES

Each student has been assigned a counselor to see for counseling and assistance. Guidance counselors provide the following services:

1. Individual scheduling to prepare for next year's class schedule;
2. Assistance in post-secondary planning;
3. Assistance in vocational planning;
4. Individual meetings with students who are struggling with Academic, Social/Personal, and Career Development;
5. SAP referrals
6. Collaboration with staff, parents/guardians, and students regarding grades and/or behavior
7. Parental conferences regarding student progress; and
8. Referrals to outside agencies.
9. Transcript requests are fulfilled through the guidance office - please allow up to 48 hours for processing.

Students may make an appointment to see the counselor during their study hall or they may "drop in" to see the counselor. When counselors are not in their offices, students may leave a note for the counselor or send an email to set up a time to stop back in.

Conferences are designed to help students make wise decisions regarding high school and post-secondary plans. Students are encouraged to visit the Guidance Department for assistance regarding college selections, national testing programs, academic problems, registration for the coming year and vocational and career information.

Counselors may require students to come for an appointment when it appears that achievement or behavior is such that there may be problems of adjustment or placement.

SH School Counselor – Mrs. Amy Switzer aswitzer@redbankvalley.net

HOMELESS/FOSTER CARE SERVICES

Homeless students may reside in shelters, hotels, motels, cars, tents or be temporarily doubled-up with a resident family because of lack of housing. In the case of homeless students, traditional concepts of "residence" and "domicile" do not apply. Homeless children and youth lack a fixed, regular, and adequate nighttime residence.

It is the responsibility of the Redbank Valley School District to identify children and youth experiencing homelessness. In order to fully assist students who are experiencing homelessness, the following methods of identification will be utilized:

- Identification can be through self-referral and/or parent/guardian referral
 - Once this information is received, it is the homeless liaisons responsibility to ensure the student(s) have access to education resources, transportation, free meals, hygiene supplies, and support as needed
- Outside agencies, school districts, staff members and community members can assist in the identification of students who are experiencing homelessness
 - Homeless liaisons between districts will communicate regarding the best interest of the student
 - Once the liaison receives this information, it is the responsibility of the liaison to contact the student and/or parent(s)/guardian to follow up with the family and get the appropriate supports in place
- A Residency Questionnaire is completed when enrolling into the district to help identify homeless students and unaccompanied youth
 - Students/guardians may utilize this form to declare homelessness
 - The homeless liaison is responsible for contacting the family once they have been identified on the questionnaire as homeless to begin the identification process

The Redbank Valley School Board recognizes the need to **promptly identify** homeless children and youths within the district, facilitate their immediate enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state laws and regulations.

The Redbank Valley School Board shall ensure that homeless children and youths have **equal access** to the same educational programs and services provided to other district students, including but not limited to:

- Transportation Services
- School Nutrition Programs
- Career and Technical Education
- Preschool Programs
- Educational programs for which the homeless student meets eligibility criteria

The Redbank Valley School Board, authorizes the Superintendent to **waive district policies**, procedures and administrative regulations **that create barriers** to the identification, enrollment,

attendance, transportation, school stability and success in school of homeless children and youths.

It is the policy of the Redbank Valley School Board that **no student** shall be **discriminated against, segregated, or stigmatized based on his/her homeless status**.

Under the McKinney-Vento Act, eligible students have the following rights:

- Receive a free and appropriate education
- Immediate enrollment in school, even if lacking documents are required:
 - Birth Certificate
 - Immunization Records
 - Proof of Residence
 - School Records
- The school district must provide the student/family with a written explanation of its position and inform the student/family of their right to appeal the decision if they believe attending the school of origin is NOT in the best interest of the child
- Receive transportation to and from the school of origin if necessary
- Receive educational services comparable to those provided to other students similar needs

Unaccompanied Homeless Youth

Included within the definition of homeless children and youth are those who are “unaccompanied homeless youth.” Unaccompanied homeless youth may enroll without documents and without the help of an adult. Unaccompanied homeless youth includes any child who is “not in the physical custody of a parent or guardian.” Falling within this definition are students who have run away from home, been thrown out of their home, or been abandoned or separated from their parents or guardians.

PARENT CONFERENCES

Parents/guardians are encouraged to contact the school about any questions regarding their child’s schoolwork. Conferences with teachers or counselors may be set-up by emailing the teacher or guidance counselors. Staff email is the first initial of first name plus last name @redbankvalley.net. Most teachers are available each day from 3:07 – 3:15. Appointments with the principal may be set-up by calling the Main Office (275-2424).

HOMEBOUND INSTRUCTION

Whenever a student has an injury or extended illness of more than ten days, a parent may request homebound instruction through the principal. (A minimum of five (5) hours per week.)

In order for the school district to obtain approval from the state for homebound instruction, certain information must be submitted relative to each individual case. In cases where children have physical disabilities the following information is necessary from a medical doctor:

1. A specific diagnosis of the physical disability.
2. A statement to the effect that while the child is not physically able to attend he/she is able to receive one hour per day of homebound instruction.
3. The approximate length of time (in months) the child should be confined to his/her home.

Requests for homebound instruction on the basis of emotional, nervous, or mental disorders will be accepted only when a licensed psychiatrist or psychologist issues the statement supporting the request. The guidance counselor and/or principal will review each request for homebound instruction. Those meeting the above criteria will be forwarded to the superintendent for approval.

DROP/ADD GUIDELINES

The scheduling of classes for the upcoming year generally begins at the beginning of the second semester. Students have an opportunity to meet with their Counselor on an individual basis and plan an appropriate schedule of classes based upon State and District guidelines, and individual needs. We urge all students to discuss course selections with their current teachers.

Students having conflicts will be able to request changes during designated summer days. These will be considered by administration and guidance. All changes must have their request phoned in by or signed by a parent.

The administration reserves the right to make schedule changes deemed to be in the best interest of the student(s), to meet graduation requirements, or as an attempt to balance class sizes. Due to the number of electives offered at the High School, some classes will be offered one time during the school day. Not all schedule requests are guaranteed.

Classes will not be changed to accommodate requests to be in specific periods or rooms, with friends, to be instructed by a specific teacher, or to change lunch periods.

The following are valid reasons for schedule changes:

1. Approved and choosing to go to the Career Center.
2. Choosing to return from the Career Center to the home school.
3. Choosing an academic course in lieu of an applied course (if available)

4. Student has more than seven classes per day scheduled and needs a study hall.
5. The Guidance Office has chosen a class that the student did not pick. *This would apply only if the student returned a schedule request signed by the parent by the established deadline and credits are needed towards graduation requirements with no other options.*

Requests to drop/add a course must be completed during the designated summer course change window. Any change beyond the first week of school will be recorded on the final transcript as Drop/Fail.

CAREER CENTER STUDENTS

Students wishing to attend the Career Center must pass all required subjects during the previous school year. Career Center students failing a required course must successfully complete the course prior to the beginning of the next school year through independent credit recovery which must be approved through the Guidance Office or principal.

WITHDRAWAL / TRANSFER FROM SCHOOL

Students planning to withdraw from school or to transfer to another school should time the withdrawal at or near the conclusion of a grading period. The Guidance Office should be notified at least one (1) day in advance of the withdrawal. At this time the proper procedures will be explained to the student and he/she will be provided with the necessary forms from the Attendance Secretary. All students planning to withdraw must be 18 years of age and accompanied by a parent/guardian before being permitted to do so.

The return of a properly completed withdrawal form to the office, return of all texts and materials, and payment of all fines and obligations will officially withdraw the student and permit us to forward transcripts and records to the new school.

STUDENT RECORD ACCESS

Students and their parent/legal guardian may have access to all of the student's records. To view records, an appointment must be made with the principal or guidance counselor. A signed statement to view records will be required. School district personnel may view student records only if they have a legitimate educational reason to do so.

Redbank Valley High School must provide, upon request by military recruiters, student names, addresses and telephone numbers unless a secondary student or the parent of a student opts out and requests in writing that this information not be released.

ACADEMIC PROGRESS REPORT

The purpose of this report is to inform the parents/guardians of the student's present status in his/her subjects. Any student earning a D or F in any class will receive an academic progress

report between quarterly report cards. The student's progress will be reported in the following categories: ability, attitude, and performance. Parents should not assume that no report implies a passing grade or that the report card will reflect a passing grade. Grades may be checked throughout the year on the online gradebook. The link to the gradebook can be found online at a link at www.redbankvalley.net. A parent may request to speak with a teacher by contacting them directly through email.

COURSE GRADING POLICIES

The following grades are used at Redbank Valley High School:

- A = Outstanding, shows excellence in meeting all course requirements;
- B = Clearly surpasses stated standards and shows above average success;
- C = Meets stated requirements with average success;
- D = Achieves minimum standards;
- F = Fails to achieve minimum standards; and
- I = Incomplete Grade

The letter grade is determined by calculating the grade percentage using the following scale:

A = 90-100% B = 80-89% C = 70-79% D = 60-69% F = 0-59%

An "I" grade may only be given when a student has failed to complete work due to legitimate reasons. An "I" must be made up within two weeks from the end of the marking period. Failure to submit missed work within two weeks will result in the missing work being graded as 0% by the teacher before calculating the letter grade for the marking period.

For each course, the final grade is calculated as follows: 25% for each of the four marking periods.

ADVANCED CREDIT/HONOR COURSES

The following courses are weighted in value. Unlike a traditional course (worth a QPA of 4.0) these courses are worth more towards the final grade point average.

Standardized Testing

Students at Redbank Valley High School participate in mandated state standardized testing. The results of these tests provide a continuing record of each child's academic progress in comparison with national norms. They are also an invaluable aid to your child's teachers, counselor, principal, and other professional staff in diagnosing individual strengths and

weaknesses in order to provide more effective instruction. The following tests may be administered to your child as part the testing program:

Grade 6: PSSA Math and English-Language Arts

Grade 7: PSSA Math and English-Language Arts

Grade 8 : PSSA Math and English-Language Arts and Science

Grade 9: Keystone Literature Exam and Keystone Algebra 1 Exam (taken in the spring of the year that the course is taken- it could be in an earlier grade)

Grade 10– Keystone Biology Exam (taken in the spring of the year that the course is taken- it could be in an earlier grade)

Your child's scores on these tests will be checked carefully and maintained in the school record as long as your child attends school in this District. The results of these tests are sent home during the school year. Students who do not score proficient or higher on their Keystone Exams will be assigned remediation courses.

PARENTAL/PUBLIC RIGHTS

Parents and the public have the right to review PSSA and Keystone assessment instruments and data reports. High School students take the PSSA in the spring and Keystone exams in the fall (retest) and spring. Parents have the right to opt their child out of PSSA testing by submitting a written request to the school two weeks prior to the testing window. Parents must also set up an appointment to view the test and provide additional notification of their desire to opt out following the review. (PA Code 4.4(4))

Parents of students in the Redbank Valley School District have the right to know the professional qualifications of the classroom teachers and paraprofessionals who instruct their children. Federal law allows parents to ask for the following information about each of their child's classroom teachers:

- Whether the Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he/she teaches

- Whether the Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances
- The teacher's college major; whether the teacher has any advance degree and, if so, the subject of the degrees
- Whether any teacher's aides or similar paraprofessionals provide services and, if they do, their qualifications

Parents will be provided notification if their child is taught for four or more consecutive weeks by a teacher who is not highly qualified.

Parents who would like to receive any of this information may contact the district office or Dr. Amy Rupp, Superintendent, at (814) 275-2426.

FAILURES - RETENTIONS

As a general guideline, students in grades 6, 7 and 8 will be retained for failing two or more major subjects. Students in grades 6, 7 and 8 may retake the failed courses over the summer at the parents' expense. Major subjects are those subjects that meet every day for the entire school year I.e. English, Reading, Math, Science, Social Studies, Geography, Civics. Students in Grades 9 through 12 failing two or more required subjects will be retained in the current grade level if the courses are not successfully completed by the start of the following school year. Students who failed courses are able to take these courses during summer as credit recovery to stay on track for graduation. The cost of summer school is the responsibility of the student and guardian. Contact the Guidance Office for details.

In accordance with Redbank Valley School District Policy Number 215, "The building principal shall be assigned the final responsibility for determining the promotion or retention of each student." In the case of mitigating circumstances, this decision will only take place after consultation with a student's guidance counselor and classroom teachers.

COMMENCEMENT CEREMONY

Participation in the commencement (graduation) ceremony is available to all qualified graduating seniors. Seniors participating in commencement are required to attend all rehearsals unless previously excused by the principal. Requests to be excused from rehearsals must be presented in writing to the principal prior to the absence. Requests should be only for extraordinary reasons and not for routine business or employment. Seniors absent from scheduled rehearsals without prior approval may not be permitted to participate in the commencement ceremony. If a student has earned a diploma but does not participate in commencement for whatever reason, he or she will be issued the diploma any day after the commencement ceremony.

VALEDICTORIAN/SALUTATORIAN

The member of the senior class having the highest GPA (Grade Point Average) will be declared Valedictorian; the second highest GPA will be declared Salutatorian. Each will present a speech at commencement. The Valedictorian and Salutatorian will be declared using final grades compiled from Grades 9-12. The GPA will be computed and rounded to the 4th decimal place in order to determine one (1) Valedictorian and one (1) Salutatorian for each graduating class. Should the GPA be identical to the 4th decimal place, co-valedictorians or co-salutatorians will be named. (All grades through the end of the senior year will be used to determine Valedictorian and Salutatorian.)

NATIONAL HONOR SOCIETY

Recognition and membership into the National Honor Society may be granted to students in grades 10, 11 and 12. Criteria for the National Honor Society is a 3.5 or higher GPA at the end of the second nine weeks. Any senior with a GPA of 4.0 or higher at the end of the fourth nine weeks will be awarded a High Honors medal at graduation ceremony. Any senior with a GPA of 3.5 to 3.99 at the end of the fourth nine weeks will be awarded an Honors medal at the Commencement Ceremony.

PARENT/GUARDIAN SIGNATURE FORMS

Parents/guardians will be required to sign and return four forms at the beginning of the school year. These include an Emergency Information Card, a Computer Ethics Form/Chromebook Insurance, Media Release Form, and a Signature Form signed by both parent/guardian and student after reading the Student Handbook and agreeing to comply with all aspects of the Handbook. Not turning these forms in will result in a delay in enrollment or disciplinary action. For convenience, forms are available to be filled out online through the Synergy gradebook.

POSTERS AND SIGNS

The principal must approve all posters and signs. Generally these are restricted to school functions. Persons posting signs and posters are responsible for their removal and cleanup.

FUNDRAISING

All fundraising must be pre-approved by the principal and will be limited to (2) activities per semester per club or organization. Fundraising in addition to this established maximum may be allowed at the principal's discretion for special circumstances and must also be approved. Request forms are available in the Main Office. Nothing can be sold on school district grounds or at school-sponsored activities without prior administrative approval. No food items may be sold in or near the cafeteria immediately prior to or during lunch periods.

PHYSICAL EDUCATION

Students are required to participate in physical education classes. Students unable to participate in physical education classes for physical, psychological or other compelling reasons will be assigned to adapted physical education. To be enrolled in adapted physical education, students must obtain a form from the nurse for their doctor to complete. The doctor must indicate which activities the student may not participate in.

If an illness or injury prohibits a student from participating in physical education classes for an extended period of time, a doctor's excuse must be submitted to the Nurse's Office. This excuse should indicate the nature of the injury or illness and the length of time necessary to be excused from physical education classes. The nurse will give this to the teacher.

A change of clothes is required when participating in physical education classes. Since there is no standard uniform required for physical education, the following dress is required: tennis shoes or sneakers (no black soled shoes, including hiking boots and any non-sneaker type shoe), and gym shorts (no cut-offs or swim trunks). It is recommended that proper foundation garments for girls and athletic supporters for boys are worn during class. If COVID-19 pandemic measures need to be implemented, locker rooms will become closed; students will only change footwear.

Valuables should either be locked in a gym locker or given to the physical education teacher prior to the start of class and collected at the end of class. The school is not responsible for missing articles missing from the locker room.

CAFETERIA CONDUCT

Students will use the cafeteria facilities in a mature manner and will meet the following standards of responsible behavior:

1. Report promptly to the lunch hall and remain there until dismissed by the teacher on duty.
2. Follow procedures as instructed by the cafeteria staff and teachers on duty.
3. Obtain permission from a teacher on duty before leaving the cafeteria for any reason, such as using restrooms or the telephone in the high school office.
4. Talk in a conversational tone - do not make excessive noise (yelling, pounding on tables, talking in a loud voice, etc.).
5. Clean up all litter/food on or around your table.
6. No food or drink (other than water that conforms to the school rules) is to be consumed outside of the cafeteria unless approved by administration.
7. Failure to report to lunch is a class-cut and will be dealt with according to the disciplinary code. Misconduct may result in lunch detention or other disciplinary action.

STUDENT DRIVERS

The Board of Education encourages all students to utilize the transportation provided by the school district. The Board also recognizes that students have legitimate reasons to drive to school. Approval to drive to school must be secured from the Principal and students must follow any rules the Principal may set forth. Driving to school is a privilege not a right. Students can lose this privilege for improper conduct and violations of school district policies.

The following student driver and parking lot rules apply:

1. Each student driver must register his/her vehicle each school year. Parking permits may be obtained in the office. All applications must be signed by a parent or guardian. Parking permits are issued to students on a first come, first serve, basis. A number will be assigned to match the numbered parking spot assigned. Permits will be issued starting with #1; students may not request a certain numbered spot. A parking space will be designated for a student during the entire 2022-23 school year.
2. **The non-refundable fee for student parking at RVHS during the 2022-2023 school year will be \$25.00 per semester or a one-time fee of \$50.00 for the school year.** The fee must be paid in full prior to receiving a parking permit and must be paid prior to the start of the semester or on the first day of school. There will be no refunds issued for the purchase of parking passes.
3. Students **MUST** display their current parking tag on the rearview mirror to enter the student parking area. Vehicles not displaying a valid permit may be towed off school property at the owner's expense.
4. Occasional drivers will be allowed three (3) temporary permits per school year, arranged by the office prior to parking in dedicated temporary parking spots. A temporary permit will be issued and must be displayed. The temporary permit must be returned to the office during the next school day.
5. **PARKING TAGS ARE NOT TRANSFERABLE** A student may use the tag on more than one car, if that car is also registered to the student on the parking permit form.
6. Students must park in the student parking lot in their assigned space. There is to be no parking in the grassy area or outside of the painted lines. Violators may be towed away at the owner's expense. The parking area from the cafeteria to the maintenance garage is a no parking zone for students.
7. Cars parked in the wrong lots or parked without a valid parking tag may be ticketed by local police.
10. Students are not permitted to loiter in their cars before, after, or during school hours.
11. Sitting in a vehicle during the school day is prohibited.
12. Students are not permitted to go to the parking lot during the school day unless accompanied by an administrator or designee.

14. Driving from the school grounds during school hours without permission from an administrator or designee is prohibited.
15. Permission to drive to and from the Career Center must be secured from the Principal and the Career Center Principal.
16. Pedestrians have the right of way in the parking lot and anywhere on school grounds.

17. Speeding (**in excess of 10 mph**) or careless driving on the school grounds is not permitted.
18. All students leaving the school grounds from the 8th grade exit need to turn right between 2:45 PM and 3:15 PM.
19. Driving to school while your driving privileges have been suspended or revoked may result in your vehicle being towed off school property at owner's expense.

Attendance regulations apply. (Example: First cut, third unexcused tardy to school, unexcused absence according to Pennsylvania Compulsory Education Laws.)

You are responsible and liable for your vehicle and passengers under PA Vehicle Code Laws.

1st Offense - loss of driving privileges from five to twenty school days

2nd Offense - permanently revoked

NOTE: The student's driving privileges may be revoked for serious driving violations and/or other appropriate disciplinary actions may be taken, as outlined in the disciplinary code and recommended by the Principal.

22. Parking tags and parking privileges may be revoked for one or more suspensions, multiple detentions, irregular attendance, or unsafe driving habits on school property. Any violations of District policy related to weapons, drugs, alcohol and/or any controlled substances/paraphernalia will result in the revocation of parking privileges for the remainder of the corresponding school year.

*Violation of the stated regulations and driving behavior on Redbank Valley School District property that presents a hazardous situation will result in automatic loss of driving privileges. In addition, a traffic citation may be issued. **No refunds for revoked permits will be issued.***

CAREER CENTER TRANSPORTATION

The bus transporting the Clarion County Career Center students to the area career center will leave the high school at 8:25 a.m. The buses will load from the gym area doors.

It is the policy of Redbank Valley School District and the Clarion County Career Center that students attending the Clarion County Career Center will be transported by bus to and from the Clarion County Career Center unless those students have received written permission from the Career Center principal and our principal to drive. Parents/guardians will be given notification of behavior problems of students riding the Career Center bus. Discipline offenses may result in suspension from the bus, resulting in the student bearing the responsibility of their transportation to the Career Center.

CELL PHONE/TECHNOLOGY USAGE

Student cell phones and other technology (smart watches/airbuds) may be used in school during the following times: Prior to the Homeroom late bell and in between classes. Students will only

be permitted to make emergency phone calls in the main office with permission. Classroom teachers may grant permission for students to use their phones in class for educational purposes only. Students using their phones or technology during unapproved times or for inappropriate reasons will lead to disciplinary action and the revoking of technology use during the school day including the confiscating of the technology and turning it into the main office for guardians to pick up after the dismissal bell.

BOOK BAGS, BACKPACKS & GYM BAGS

Students may bring book bags, backpacks and/or gym bags to and from school in order to transport personal and curricular items. The book bags, backpacks and gym bags must be placed in the lockers upon arrival in the morning and kept there until dismissal except for gym class. Students may seek permission from teachers to store larger bags that do not fit in a standard locker. Students are reminded that school officials have the right to inspect these items upon request at any time.

LOCKERS

Lockers are the property of the Redbank Valley School District and are provided to the student for storing curriculum-related items and clothing.

The school has an obligation to insure that the locker is properly used and that no item placed in the locker jeopardizes the protection of the health, safety, and welfare of the students, faculty, school property, and the educational process. To fulfill this obligation school officials have the right to conduct locker searches. Students are not to expect privacy from school searches of lockers outlined in the following section, Right to Search. Locker searches will be conducted without regard to any individualized suspicion.

Each student is assigned his or her own locker. Students are not permitted to share lockers with other students. It is recommended that lockers be used infrequently during the school day to prevent being late to class.

It is recommended that students not bring large sums of money or valuables to school. Students are responsible and encouraged to use locks to safeguard their possessions in their lockers. Combination locks are available for the student's use for \$5.00 in the office.

The District urges students to keep their lockers locked. To help maintain a "safe school" environment, only school-issued locks may be used on school lockers, including hallway and gym lockers. All other locks will be cut off at the owner's expense.

The school is not responsible for materials left in the locker or for items or money removed by other individuals.

Should any of the following items be found in a locker, they will be confiscated and appropriate disciplinary proceedings instituted against the student in accordance with the Discipline Policy:

1. Knives, firearms, ammunition/casings, firecrackers, smoke bombs, or any other incendiary or explosive devices;
2. Tobacco products, “look-alikes”, vaping supplies and paraphernalia;
3. Drugs (controlled substances) or “look-alikes” in any form;
4. Alcohol (in any form);
5. Obscene material;
6. Stolen property;
7. Drug use paraphernalia; and
8. Noxious materials including body sprays.

RIGHT TO SEARCH

At no time does the Redbank Valley School District relinquish control of hallways, lockers, physical education lockers, or any other part of the school building or property. School officials reserve the right to and will randomly search any and all school property at any time there exists an immediate danger to the health, safety and welfare of others. These searches may encompass any and all items stored in lockers or in any other area of school property. In addition, school officials have the right to search students, their direct possessions, and automobiles parked on school property if there is reasonable suspicion that the student is in violation of any school rule or policy, or poses a threat to themselves or others while on school property. Searches may include, but are not limited to, the utilization of a certified police drug detection dog, metal detection units, or any other device deemed useful in protecting the health, safety, and welfare of the school population.

SCHOOL BUS REGULATIONS

In an ongoing effort to provide the safest transportation possible for your child/children, please note the following Redbank Valley School District bus regulations.

1. **Beginning of Year Bus Changes** – If a bus change is requested, the parent/guardian must fill out a Bussing Request Form and arrangements will be made to honor the request as soon as possible after school begins. Until the change goes into effect, the parent/guardian must provide transportation or make other arrangements.
2. **Bus Requests** –Students will be assigned one morning bus and one afternoon bus to provide daily transportation to and from school. The District does not accept requests to allow students to switch buses on different days of the week, unless an emergency arises. Because of the large number of students transported by the District and safe schools concerns, requests such as the following will **NOT** be honored: One bus on Monday, Wednesday and Friday pick-up/drop-off and another bus for Tuesday and Thursday pick-up/drop off. An exception will be permitted for court defined guardianship requiring student alternate residence during the school week. It is

your responsibility to make arrangements for pick-up or drop-off of your child when you do not want him/her to ride their assigned bus.

3. **Bus Passes** – Due to bus safety regulations, minimal changes will occur in daily bus transportation. **In extenuating circumstances**, a Bus Pass Request will be considered for Principal approval. The Bus Pass Request Form is obtained through the Principal's Office and must be submitted to the school office for approval. Extenuating circumstances **DO NOT** include travel to the home of a friend. If a permanent bus change is necessary, please contact the school and request a Bussing Request Form.

BUS SAFETY RULES

State Law provides that all buses must carry an accurate listing of the students that are transported on the bus. An orderly bus ride allows the driver to track ridership and provide a safe ride to school. Therefore, it is the responsibility of the parent/guardian to reinforce bus safety rules and stress the importance of your child remaining in his/her assigned seat at all times. Refer to the Parent/Student Handbook that your child will receive the first day of school to learn more about expected bus behavior.

Listed below are the responsibilities of the students on the bus.

1. Arrive at the bus stop five minutes prior to the expected arrival of the bus. The driver is responsible for the maintenance of the schedule and cannot wait for pupils who are late. Please understand that the bus times may have to be adjusted throughout the year due to unforeseen circumstances, such as construction, addition/deletion of students, etc.
2. Display good behavior at the bus stop. Do not push or shove students.
3. Cross the road after the driver signals.
4. Sit in the seat that is assigned by the driver.
5. Remain seated at all times while the bus is in motion and as directed by the driver.
6. Keep arms, head, and all objects inside the bus at all times.
7. Use school-appropriate language. Vulgar or abusive language is not permitted.
8. Eating and/or drinking are not permitted on the bus.
9. Fighting, serious arguing, threatening, excessive mischief, pushing and shoving are all behaviors prohibited on the bus and are subject to serious consequences.
10. Unwanted illegal items are prohibited on the school bus.
11. Compensation for any damage to the school bus is the responsibility of the parent/guardian.
12. While on the school bus, follow the directions of the school bus driver.

Bus Discipline Procedures

Students engaging in serious discipline problems on the bus, such as fighting or any other activity that endangers the health or safety of other passengers, may have riding privileges suspended by the Principal. The parent/guardian of suspended students is then responsible for transporting his/her children to and from the school safely. The bus driver will report the incident to the Principal on the “Bus Conduct Report”.

1st Offense: Written warning by the driver

2nd Offense: 3-day bus suspension of riding privileges and a minimum of one hour detention.

3rd Offense: 10-day bus suspension of riding privileges and one day of In School Suspension

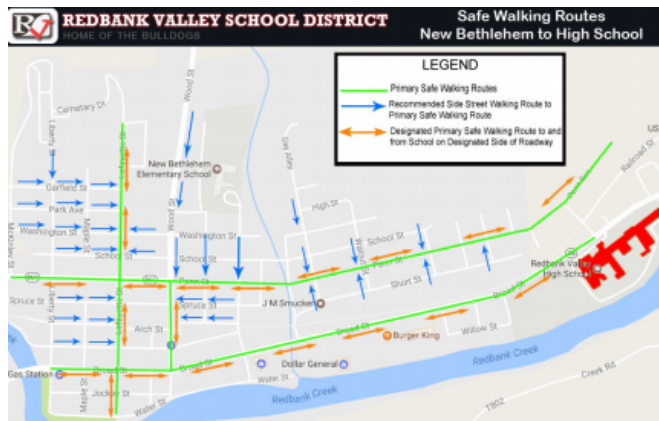

4th Offense: Minimum of 30-day suspension of riding privileges up to loss of riding privileges for remainder of school year.

Note: Students disobeying these rules may also face other appropriate disciplinary action

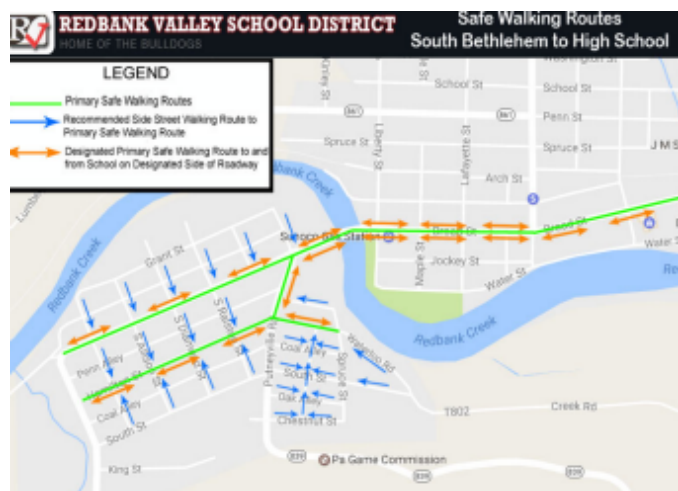

SAFE WALKING ROUTES

Redbank Valley School District has created Safe Walking Routes for students to utilize when walking to and from Redbank Valley High School. You will find these routes at <http://redbankvalley.net/parent-resources/safe-walking-routes.html>. Each route can be downloaded and printed. In addition to the maps, there is a handy PDF guide full of tips for parents and caregivers who are interested in letting their children walk to school. The routes are also pictured below.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies, equipment (including computers/software and other computer equipment) and furniture supplied by the school.

Damage or unauthorized use of software on the computer system could result in students being asked to pay for the cost of correcting the system. Students should only be using the software provided by the school. Students shall not mark school furniture, walls, ceilings, floors or equipment with pen, pencil, paint or other instrument. Students shall not tamper with fire alarms, fire extinguishers, or any electrical systems.

Anyone who willfully destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of our students will be referred to the proper law enforcement agency.

NOTE: Students, who deface property, break windows or do other damage to school property or equipment will be required to pay for the damage incurred and disciplined according to the disciplinary code.

TEXTBOOKS

Students must assume full responsibility for the care of the textbooks assigned to them. Books are issued by the subject teacher and must be returned to the same teacher upon completion of the course or withdrawal from school. If the book is not returned, the student will be assessed a prorated cost for its replacement. The student will be required to pay full price for books less than one year old. The cost of the replacement book will be determined by the lowest cost found online for the same used book. Responsibility for textbooks rests with the student to whom the

textbook is issued. The loss of books due to theft or other circumstances will not be accepted as an excuse for non-payment.

If a student pays for a lost book and it is found and returned, a refund will be made to the student. If books are damaged, the student is required to pay damage charges up to the original price of the book, depending on the degree of damage and the condition of the book when it was issued. Students will be assessed \$15.00 for each book assigned to them that requires it be rebound in order to be used the next year. If a textbook is lost, the student will pay the current cost of replacing the same textbook.

RESTROOM PRIVILEGES

Students are to use the restroom nearest their classroom. No one is to be excused from class except in case of emergency. It is recommended that one person is to be excused from a room at a time. Students must carry a hall pass any time they are in the halls during class periods.

Restrooms are to be used only for the purpose intended. Any other usage such as smoking, vaping/juuling, loitering, unpurposeful meeting, or hiding from school personnel will be subject to disciplinary action as defined in the disciplinary code.

- A. Students are to go to the restrooms between periods. If an emergency necessitates using the restroom during a class, the following procedures should be observed:
 - 1. Ask the teacher's permission.
 - 2. Follow procedure established by the teacher.
- B. Students should not assume that a teacher must honor every request. In cases where a student takes advantage, a request may be denied.
- C. Restrooms are there for your convenience. Report immediately any restroom damage or malfunction to any staff member.

VISITORS

All visitors must obtain a visitor's pass from the Security Desk. A driver's license is required to obtain a pass. Passes are only issued to those who are visiting specifically to contribute to the academic program or extracurricular program. All visitors must enter through the main entrance. For reasons of safety and the smooth operation of the school, those not obtaining a pass, those who are on school grounds without permission, and those who have been denied permission to be on school grounds will be considered to be criminally trespassing and may be prosecuted.

At least one day before bringing a visitor to the school, you must inquire at the office to see that the visitation will be permitted. If permitted, the visitor will be given a special pass from the office. Visitors of school age should reside 30 miles from the school district or further.

Visitors will not be allowed to disturb teachers during classes.

EMERGENCY INFORMATION

Emergency contact information is maintained for all students. Please inform the Guidance Office immediately of a change of guardianship, address, phone number, e-mail or other information required on the emergency card.

LOST AND FOUND

Students who find lost articles are asked to take them to the office where the owner can claim them. Items left for more than thirty (30) days will be discarded.

BULLETINS AND ANNOUNCEMENTS

Student announcements for the day are made over the television during Period 1 and on the typed announcement sheet available in the office.

If a student wishes to have an announcement made regarding a school activity, he/she must have the announcement initiated by the advisor.

EMERGENCY DRILLS

An effective fire drill is governed by these few fundamental rules:

1. When an alarm is heard, the students are to move quickly and quietly without talking, running, or pushing. This may be to proceed to the nearest emergency exit or to go to a designated safety place within the building.
3. During a fire drill, an exit may be closed to simulate a condition which could happen during an actual fire,
4. During an intruder drill, sounds may be simulated to prepare students in the event of an intruder.
4. The exit or lockdown procedure will be posted near the door of each room.
5. An "All Clear" announcement must be made before students may resume classes.

DRESS AND GROOMING

NOTE: Because fashions change quickly and unpredictably, we cannot list all acceptable and unacceptable attire. The principal reserves the right to determine if a student's attire meet the acceptable school dress code.

As per the District Code of Conduct, the following dress code applies:

- Students must always wear apparel consisting of a top, bottom, (or combination) and shoes that are sized appropriately and fit properly. Nothing excessively tight/form fitting, excessively baggy, or sleepwear will be permitted.
- Apparel needs to **conceal** all private parts and undergarments. This includes shirts when wearing tight fitting leggings.

- Tops need to have two inch straps over both shoulders. Fabric must cover front, back, and sides meeting the bottoms.
- Bottoms need to be longer than fingertip length with no skin showing above fingertip length.
- Shoes that may damage school property or create a safety hazard are not permitted. Flip flops are not acceptable in science and shop classes.
- No clothing or accessories containing messages or pictures that disrupt the educational process including those containing vulgarity, or alluding to alcohol, illegal substances, tobacco, etc.
- No piercings that would cause harm to self or others.
- No hats/hoods, heavy coats, head coverings (unless for religious purposes), sweatbands, bandanas, blankets, or non-prescription sunglasses are to be worn during the school hours.
- Dress code may be waived on special days. The student body will be notified as to what is permitted on those days through the announcements.

NOTE: The preceding information is not all inclusive and any questionable apparel, footwear, and/or piercings will be subject to a final decision by administration.

Homeroom teachers will check for dress code violations. Career Center students will be checked upon their arrival to the high school. Teachers throughout the day will continue to report dress code violations.

Dress Code Violations will result in the following discipline:

- 1st offense – Written warning (teacher submits through MMS). Student corrects dress code violation OR student stays in office.
- 2nd offense – One hour detention and student corrects dress code violation or student stays in office.
- 3rd offense – Two hour detention and student corrects dress code violation or student stays in office.
- Subsequent dress code violations will result in Out of-School Suspension

Dress code violators will remain in office until the dress code violation has been corrected. Clothing may either be brought in by a parent/guardian or obtained from the school's clothing closet. Students will not be allowed to continue their school day when in violation of the dress code. Their missed class will be unexcused. Refusal to comply with the dress code will be considered as insubordination – Level III, and will result in additional disciplinary action.

NURSE'S OFFICE

A student becoming ill during the school day should report to the nurse after first reporting to his assigned area. (During COVID-19, the nurse may come to the classroom.) All students reporting to the nurse must have passes. When the nurse deems it necessary she will inform the parent/guardian of the problem. If a student leaves without permission he/she will be considered

truant. When the nurse is not available, students who are ill should report to the office. Students returning to class must have a pass signed by the nurse or by the office. No student is to be found loitering in the nurse's office or leaving the building without written permission. The nurse is not permitted to administer any medication other than that prescribed by a physician or approved in writing by a parent/guardian; however, students taking medication in school must register with the nurse.

All medications, short term, as well as daily medications, must be left in the nurse's office.

Any student who contacts a parent/guardian during school hours without permission will be considered in violation of the electronic school policy. Appropriate disciplinary action will be assigned.

STUDY HALLS

Study halls are for study; therefore, all students must have study or appropriate reading material. Disruptive behavior will not be tolerated. Group work is only allowed per teacher's discretion. Students desiring to see a teacher other than their study hall teacher must have previously obtained a pass from that teacher. Students who are late because they are obtaining a pass will be marked late, and the study hall teacher may choose not to honor the pass.

A pass from another teacher will excuse the student from the study hall for the entire period. The pass must be filled out completely. The student must deliver the pass to his/her study hall teacher at the beginning of the study hall period.

ACADEMIC INTEGRITY

PLAGIARISM

The Redbank Valley School District is committed to strict standards of academic integrity and to helping students develop intellectually, creatively, and ethically. Honesty in all assignments is essential to the maintenance of such standards.

Definitions

Plagiarism is the presenting of ideas or statements of another writer without crediting the original source. Plagiarism is theft, even when it is unintentional. Plagiarism can occur in several ways. A writer commits plagiarism if s/he quotes a source without using quotation marks, or paraphrases a source without giving credit. Plagiarism also occurs when a writer summarizes a source's ideas or observations without giving credit to the source.

Examples of various types of plagiarism include but are not limited to the following:

1. Stealing, borrowing, buying, copying or
taking credit for another person's work (i.e.
Homework, reports, take-home exams,

tests and research papers, music, art, etc.)

2. Failure to cite a direct quotation.
3. Failure to cite a paraphrased passage.
4. Failure to provide a bibliography that
reflects the research.

Substituting a few words of a direct quotation and calling this “paraphrasing” still constitutes plagiarism because most of the words remain the words of the source.

Any student suspected of plagiarism may be required to produce the sources in question.

Consequences – refer to Code of Student Behavior Level II Violations

EXTRA-CURRICULAR RULES & REGULATIONS

All students involved in extra-curricular activities must not only follow the rules and regulations printed in this handbook but also those in the Extra-Curricular Handbook and any additional guidelines and regulations established for their particular activity. Arrangements for make up work for club sponsored field trips should be made in advance and initiated by the student. Teachers will determine due dates for missing assignments.

STUDENT INSURANCE

The Redbank Valley School District annually selects one insurance company to make available to interested students an accident insurance policy. The selection of this company does not represent the district's endorsement of the company's product, but rather makes available the purchase of group accident insurance at group-discounted rates.

It is required that any student who participates in athletics carry some form of accident insurance. The current student plan does not cover participation in football.

1. Enrollment packets are given to students during the first week of school.
2. Students wanting to purchase this insurance must follow the instructions in the enrollment packet and return the packet to their homeroom teacher.
3. Upon notification from the insurance company, a letter acknowledging acceptance of enrollment will be mailed to the parent of the student applying for the insurance. If notification is not received within a reasonable period of time, parents should call the District Business Office at 275-2426 to inquire into the status of their child's enrollment.

DANCE REGULATIONS

Any student organization planning a dance must clear it through the faculty advisor. Then the representative students, together with the advisor, will submit a request to sponsor a dance to the principal for final approval.

The organization is responsible for working out all details, including chaperones, police, etc. This must be accomplished at least two weeks prior to the anticipated date of the dance.

There must be approved adult chaperones at each school-sponsored dance. The activity advisor must be in attendance and may have parents and/or other teachers assist. Any non-faculty or staff adults must have clearances on file in the office.

Student guests from other schools may attend only if pre-approved by the principal. Request forms are available in the Main Office. No guest may be 21 years of age or older.

a student at Redbank Valley High Schools, he/ she will also be subject to the provisions of the Student Code of Conduct or Discipline Code.

TUITION AND AFFIDAVITS

Pupils may be accepted at Redbank Valley Schools on a tuition basis. Although accepting tuition students is generally to be discouraged, each request will be considered on an individual basis by the Superintendent and the Board of School Directors. In the event of approval, tuition must be paid monthly and in advance. The rate of tuition shall be computed via the procedure mandated by the State Department of Public Education.

A child shall be considered a resident of the school district in which his/her parents/guardians reside. Any student not having at least one parent/guardian residing in the Redbank Valley School District and who is requesting permission to attend school here shall be admitted only through tuition payments, court placement, or due to exceptional circumstances which must be presented in writing to the Superintendent of Schools. STUDENT ASSISTANCE PROGRAM

A Student Assistant Team exists at the school consisting of a multi-disciplinary team composed of school personnel and invited specialists from the community; only those people who have received formal training in understanding adolescent chemical use, abuse, and dependency as well as adolescent depression and suicide may be members. The current membership is comprised of the principal, guidance counselors, school nurse, and faculty members.

Certain students in the district can be classified as being “at risk” relative to expected performance in school when measuring their achievement against their abilities. The district recognizes that these students may need some form of intervention in order to prevent or ameliorate deviate or harmful behaviors.

SAP evaluates referrals made to them by faculty, parents, students, or any other source. Should a need be established, then the team serves as a referral source to assist the student in getting appropriate help as soon as possible. This help could consist of individual counseling or follow-up, participation in one of the various “groups” that meet at the school to address common problems, or referral to an outside agency.

DECLARATION OF EMANCIPATION

“Minor children may be released from legal subjection to their parents by Emancipation. Emancipation results not from any conduct of the child but from some juristic act, or other conduct of the parent from which the extinguishment of parent rights and filial duties may be inferred.”

In compliance with the above opinion, emancipation of eligible students attending Redbank Valley High School shall be determined or denied based upon the following information:

- a. A written statement from the parent(s), notarized or signed in the presence of a school official, asserting that the minor is emancipated. In the absence of the parent(s), an affidavit, declared and signed by the minor before a licensed official of the courts, may be accepted.

CODE OF STUDENT BEHAVIOR

The Board of Education shall require each student of this district to adhere to the rules and regulations promulgated by the board and administration and to submit to such disciplinary measures as are appropriately assigned for infraction of those rules. - Respect the rights, person and property of others;
- Preserve the degree of order necessary to the educational program in which they are engaged; and
- Obey constituted authority and respond to those who hold that authority.

The Board prohibits possession of weapons and/or replicas of weapons in any school district building or on school property during the regular school day and/or during any school sponsored or district approved event or activity.

For the purposes of this policy a “weapon” shall be defined as follows:

“Weapon” - any device, instrument, material or substance, which under the circumstances in which it is used, attempted to be used, or threatened to be used, is readily capable of causing physical injury or terror.

This definition includes, but is not limited to, any knife, cutting instrument, cutting tool, nunchuks, brass knuckles, firearm, shotgun, rifle, BB or pellet gun, look-alike gun, chemical agent, explosive device, and/or instrument, tool, or implement capable of inflicting bodily injury or causing fear of same. The Superintendent or a designee shall report the discovery of any weapon prohibited by this policy to the student’s parents/guardians and to local law enforcement officials. Further, the Superintendent shall report acts of violence and/or possession of a weapon on school property in violation of this policy to the Office for Safe Schools on the designated form twice per year, as required.

An exception to this policy may be made by the Superintendent, who shall prescribe special conditions or procedures to be followed.

Weapons under the control of law enforcement personnel in conjunction with their duties are permitted.

BULLYING

Redbank Valley High School is committed to providing a safe, positive learning environment for district students. We recognize that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.

Bullying is an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting that is severe, persistent or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student's education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

Bullying as defined above also includes cyberbullying.

School setting means in the school, on school grounds, in school vehicles, at a designated bus stop or at any activity sponsored, supervised or sanctioned by the school.

Any bullying that occurs outside of school and results in the effects listed above will be handled the same as an incident happening in the school setting.

All instances of bullying must be reported immediately to the office. This is the only way the problem can be addressed.

SEXUAL HARASSMENT/MISCONDUCT

Sexual harassment, abuse, and misconduct is counter-productive to an appropriate learning environment because it is degrading, humiliating, offensive and unpleasant; moreover, it produces adverse physical manifestations and it adversely affects everyone's performance.

Therefore, it is the policy of the Redbank Valley School District to prohibit any person including but not limited to; administrators, professional employees, staff members, visitors, parents, independent contractors, and students, from sexually harassing or abusing another.

It is the policy of the Redbank Valley School District that sexual abuse and harassment will not be tolerated and such conduct will be subject to discipline up to and including dismissal and/or expulsion.

The administration, the professional employees, the staff and the students of the Redbank Valley School District are charged with maintaining an environment free from sexual harassment and abuse. Therefore, any administrator, professional employee, staff employee, student, volunteer, or parent who has any knowledge of any sexual harassment, abuse, or misconduct is charged with reporting that knowledge consistent with this policy.
