### ONE CALL NOW

Keeping parents informed is a top priority at Redbank Valley. That is why we have adopted the ONE CALL NOW Notification Service which will allow us to send a telephone message to parents providing important information about school events or emergencies. In the event of an emergency at school, you will be informed immediately by phone.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that the school has your most current phone numbers. If this information changes during the year, let us know immediately by sending an e-mail to [cmiller@redbankvalley.net](mailto:cmiller@redbankvalley.net).

### What you need to know about receiving calls through ONE CALL NOW:

Caller ID will display the school's main number when a general announcement is delivered.

Caller ID will display 411 or a 275 District Number if the message is a dire emergency.

Be sure to say "Hello" when you answer the phone. The technology must hear a voice to deliver.

ONE CALL NOW will leave a message on any answering machine or voicemail. If any problems occur, or part of a message is missed, press any number between 1-9 to

restart the message.

## STUDENT RIGHTS & RESPONSIBILITIES

The Board has authority and responsibility to establish reasonable rules and regulations for the conduct and deportment of students of the district. At the same time, no student shall be deprived of equal treatment and equal access to the educational program, due process, a presumption of innocence, and free expression and association in accordance with these guidelines.

Attendant upon the rights established for each student are certain responsibilities which include respect for the rights of others, obedience to properly constituted school authority, and compliance with the rules and regulations of this district.

According the Pennsylvania School Code (22 PA Code 12.2):

- (a) Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.
- (b) No student has the right to interfere with the education of his fellow students. It is the responsibility of each student to respect the rights of teachers, students, administrators, and all others who are involved in the educational process.
- (c) Students should express their ideas and opinions in a respectful manner.
- (d) It is the responsibility of the students to conform with the following:
  1. Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them. Students should assume that, until a rule

is waived, altered or repealed in writing, it is in effect.

2. Volunteer information in matters relating to the health, safety, and welfare of the school community and the protection of school property.
3. Dress and groom so as to meet fair standards of safety and health, and not to cause substantial disruption to the educational processes.
4. Assist the school staff in operating a safe school for all students enrolled therein.
5. Comply with Commonwealth and local laws.
6. Exercise proper care when using public facilities and equipment.
7. Attend school daily and be on time at all classes and other school functions.
8. Make up work when absent from school.
9. Pursue and attempt to complete satisfactorily the courses of study prescribed by Commonwealth and local school authorities.
10. Report accurately and not use indecent or obscene language in student newspapers or publications.

### **PARENT RIGHTS FOR INSTRUCTIONAL MATERIALS AND STUDENT SURVEYS**

In accordance with Redbank Valley School District Policy 235, parents have the right to inspect all instructional materials. In addition, parents have the right to inspect, upon request, any survey created by a third party prior to administration or distribution to a student. Such requests are to be in writing and submitted to the building principal prior to distribution.

### **ATTENDANCE REGULATIONS**

There is a correlation between regular school attendance and achievement. Therefore, students are strongly urged to avoid being absent from school.

The following regulations govern student absences:

1. A student may be legally absent from school due to illness or other "urgent" reasons, such as impassable roads, quarantine or death in the family.

2. Excuses other than those listed in number 1 are unexcused.
3. Unexcused absences for students under the age of 17 will be recorded as illegal absences.
4. **All illegal absences will result in the following discipline:**
  - a. First offense- written reprimand and parental notification.
  - b. Second offense- One hour detention.
  - c. Third offense- Two hour detention.
  - d. Subsequent illegal absences will result in In-School Suspension.

When three illegal absences have accumulated, the parents or guardians will be notified that additional illegal absences will result in legal action being taken in accordance with the Pennsylvania School Code. Such legal action may result in fines up to \$300.00 per illegal day **and may also include a suspension of driver's license or a delay of receiving a driver's license.**

5. Students aged 16 or less who miss school illegally four times or more will be reported to the District Magistrate.
6. Students aged 17 and over missing school without a legal excuse will be placed in the school's disciplinary procedures, which could lead to expulsion from school **and/or loss of prom and/or participation of graduation commencement ceremonies.**
7. Student attendance will be taken at the beginning of homeroom period.
8. Students reporting to school after 8:10 A.M. will be considered tardy to school and must report directly to the Attendance Office, and obtain an admittance pass. The student should bring his/her tardy excuse signed by his/her parent/guardian with them.
9. Any student who is absent the school day before should bring his/her excuse signed by his/her parent or guardian/doctor on the day he/she returns to school.
10. Being late to school due to car trouble when busing is available is unexcused.
11. Excuses not acceptable under the Pennsylvania Compulsory School Laws, although signed by their parent/guardian and brought to school within three days following the absence or tardy, will be considered unexcused and/or illegal.

12. The administrative office will make the final determination on whether an absence or tardy will be considered legal.
13. Any student failing to submit an excuse within three days upon return to school will be counted as unexcused / illegal, regardless of the reason for the absence. Excuses submitted after the 3-day limit will not be accepted, and the dates will remain unexcused/illegal.
14. In compliance with the Compulsory Attendance Laws, the Principal has the right to require students to present a doctor's or school nurse's excuse for each absence. The parent/guardian will be notified when such excuses are required. These will be sent to the parent/guardian for the following reasons:
  - a. Student has missed five or more days during any marking period of the school year;
  - b. Student has accumulated 10 absences
15. Students participating in extra-curricular activities, including athletics, band, choir, school plays, color guard, etc. must be in attendance by the end of the first period in order to participate in that day's activity. Only the building principal may waive this rule in extenuating circumstances, such as a funeral, or Doctor/Dentist appointment.
16. **After an accumulation of five (5) unexcused tardies or three (3) unexcused absences, students participating in extra-curricular activities will lose the privilege to participate in that activity or any other activity for up to the remainder of the year.**
17. Tardiness to school or absence following late night activities may result in the student being denied the privilege of participating in the next scheduled practice, competition or performance.

### **TARDINESS TO CLASS**

The following guidelines will govern students who are tardy to class:

1. No late passes between classes will be issued by the Main or Guidance Office;

2. If a student is late to class without written excuse, the teacher will record the lateness and report the infraction to the office, according to the disciplinary code;
3. Any student detained in the office or by a teacher should ask for an excuse from the person detaining the student before going to class. Such tardiness should be marked excused and should not count against the student; and
4. Repeated tardiness will result in penalties as described in the disciplinary code and may include legal action (fines) being taken.

### **EDUCATIONAL TRIPS**

A student may legally make a trip of an educational nature with his parents or guardians. However, the school does not encourage such trips and such absences are limited to (5) school days per year. To request an educational trip, the following guidelines must be followed:

1. Obtain an Educational Field Trip Request form from the Main Office.
2. The parent/guardian must submit the completed request to the Superintendent's Office at least ten (10) school days prior to the dates requested.
3. Requests for assignments should be made ten (10) days prior to the educational trip to allow the classroom teacher time to prepare the assignment.
4. It is the student's responsibility to make up all work missed.
5. Educational Field Trip requests will be denied if the student is failing a class, has poor attendance or repeated discipline offenses.
6. Failure to follow these procedures will result in all absences due to trips being marked unexcused.

### **MAKING-UP WORK**

Students are responsible for any and all work missed while absent from school. The following guidelines govern make-up work for absences:

1. Credit for make-up work will be limited to those days the pupil was legally absent.
2. Class work missed by a student on the day, or class period, of an unexcused or illegal

absence cannot be made up. Zeros will be given for all graded work missed.

3. If it is known that a student is going to be absent for a minimum of two school days, the Guidance Office will collect assignments from the student's teachers. The parent or student should call 275-2424 on the second day of absence between the hours of 6:30 AM and 8:00 AM in order to request homework.
4. For an absence of less than two days, assignments should be obtained from a classmate.
5. When a student returns from an absence, he/she has two (2) days to make arrangements with the teachers regarding make-up.
6. All make-up should be completed within one (1) day for each absence after arrangements have been made unless the absence was extended or there exists other mitigating circumstances rendering this impractical. Exceptions must have the approval of the principal.
7. If an examination was scheduled and announced prior to the absence, and the teacher is sure that the student was instructed in all facets of the material covered by the test, it is reasonable to have the student take the exam on the day of his/her return to school.

### **REQUEST FOR EARLY DISMISSAL**

Early dismissal from school will be granted for the same reasons allowable for legal absences. A written request from a parent/ guardian for early dismissal should be presented to the attendance officer in the morning. If the excuse is accepted, the student's name will appear on the absentee sheet. The student's parent/guardian must sign the student out in the high school office when leaving the building for an early dismissal and sign him/her in upon his/her return. This includes any student being dismissed by the nurse or an administrator.

Parents are encouraged to schedule doctor and dentist appointments after school hours. Students returning to school after appointments are required to submit to the attendance officer

the doctor's professional / appointment card, signed by the doctor or his/her staff.

Early dismissal requests for hair appointments, work, shopping, concerts, professional sports, etc., will be considered unexcused. Students leaving for these reasons will receive a failing grade for all schoolwork missed.

### **GUIDANCE COUNSELOR SERVICES**

Each student has a counselor to see for counseling and assistance. Guidance counselors provide the following services:

1. Assistance in planning the high school program;
2. Assistance in post-secondary planning;
3. Assistance in vocational planning;
4. Counseling for students who need help with personal, social, and educational problems;
5. Individual testing;
6. Group testing;
7. Parental conferences regarding student progress; and
8. Referrals to outside agencies.

Students may make an appointment to see the counselor during their study hall or they may "drop in" to see the counselor. When counselors are not in their offices, students may leave a note for the counselor or make an appointment with the guidance secretary.

Conferences are designed to help students make wise decisions regarding high school, vocational, and college plans. Through the Guidance Department students can receive information about scholarships as well as vocational/trade school and college entrance requirements.

The Guidance Department furnishes students with a variety of career materials. Students are encouraged to use the facilities of the Career Center located in the guidance suite. From the time they enter high school all students are encouraged to think seriously about vocations and are urged to use the wealth of material provided for them.

Students are encouraged to visit the Guidance Department for assistance regarding college selections, national testing programs, academic problems, registration for the coming year and vocational and career information.

Counselors may require students to come for an appointment when it appears that achievement or behavior is such that there may be problems of adjustment or placement.

### **PARENT CONFERENCES**

Parents/guardians are encouraged to contact the school about any questions regarding their child's schoolwork. Conferences with teachers or counselors may be set-up by calling the Guidance Office (275-2421). Appointments with the Principal may be set-up by calling the Main Office (275-2424).

### **HOMEBOUND INSTRUCTION**

Whenever a student contracts a disability or an extended illness of more than ten days, a parent may request homebound instruction through the guidance counselor. (A minimum of five (5) hours per week.)

In order for the school district to obtain approval from the state for homebound instruction, certain information must be submitted relative to each individual case. In cases where children have physical disabilities the following information is necessary from a medical doctor:

1. A specific diagnosis of the physical disability.
2. A statement to the effect that while the child is not physically able to attend he/she is able to receive one hour per day of homebound instruction.
3. The approximate length of time (in months) the child should be confined to his/her home.

Requests for homebound instruction on the basis of emotional, nervous, or mental disorders will be accepted only when a licensed psychiatrist or psychologist issues the statement supporting the request. The guidance counselor and/or principal will review each request for homebound instruction. Those meeting the above criteria will be forwarded to the superintendent for approval.

### **DROP/ADD GUIDELINES**

The scheduling of classes for the upcoming year generally begins at the beginning of the second semester. Students have an opportunity to meet with their Counselor on an individual basis and plan an appropriate schedule of classes based upon State and District guidelines, and

individual needs. We urge all students to discuss course selections with their current teachers.

Students having conflicts will be able to request changes during designated summer days. These will be considered by administration and guidance. All changes must have their request phoned in by or signed by a parent.

The administration reserves the right to make schedule changes deemed to be in the best interest of the student(s), to meet graduation requirements, or as an attempt to balance class sizes.

**Class will not be changed to accommodate requests to be in specific periods or rooms, with friends, to be instructed by a specific teacher, or to change lunch periods.**

The following are valid reasons for schedule changes:

1. Approved and choosing to go to the Career Center.
2. Choosing to return from the Career Center to the home school.
3. Choosing an academic course in lieu of an applied course.
4. Student has more than seven classes per day scheduled and needs a study hall.
5. The Guidance Office has chosen a class that the student did not pick. *This would apply only if the student returned a schedule request signed by the parent by the established deadline.*

Requests to drop/add a course must be completed by the first day of school.

### **CAREER CENTER STUDENTS**

Students wishing to attend the Career Center must pass all required subjects during the previous school year. Career Center students failing a required course must successfully complete the course prior to the beginning of the next school year either through summer school or private tutoring, which must be previously approved through the Guidance Office or Principal.

## **WITHDRAWAL / TRANSFER FROM SCHOOL**

Students planning to withdraw from school or to transfer to another school should time the withdrawal at or near the conclusion of a grading period. The Guidance Office should be notified at least one (1) day in advance of the withdrawal. At this time the proper procedures will be explained to the student and he/she will be provided with the necessary forms from the Attendance Secretary. All students planning to withdraw or transfer must be accompanied by a parent/guardian before being permitted to do so.

The return of a properly completed withdrawal form to the office, return of all texts and materials, and payment of all fines and obligations will officially withdraw the student and permit us to forward transcripts and records to the new school.

## **STUDENT RECORD ACCESS**

Students and their parent/legal guardian may have access to all of the student's records. To view records, an appointment must be made with the principal or guidance counselor. A signed statement to view records will be required. School district personnel may view student records only if they have a legitimate educational reason to do so.

Redbank Valley High School must provide, upon request by military recruiters, student names, addresses and telephone numbers unless a secondary student or the parent of a student opts out and requests in writing that this information not be released.

## **ACADEMIC PROGRESS REPORT**

The purpose of this report is to inform the parents/guardians of the student's present status in his/her subjects. Any student earning a D or F in any class will receive an academic progress report. The student's progress will be reported in the following categories: ability, attitude and performance. When the teacher deems necessary, these reports will be sent home by mail or with students during the middle of each grading period. Parents should not assume that no report implies a passing grade or that the report card will reflect a passing

grade. A parent may request to speak with a teacher by contacting the Guidance Office.

## **COURSE GRADING POLICIES**

The following grades are used at Redbank Valley High School:

- "A" - Outstanding, shows excellence in meeting all course requirements;
- "B" - Clearly surpasses stated standards and shows above average success;
- "C" - Meets stated requirements with average success;
- "D" - Achieves minimum standards;
- "F" - Fails to achieve minimum standards; and
- "I" - Incomplete Grade

The letter grade is determined by calculating the grade percentage using the following scale:

A = 90-100%    B = 80-89%    C = 70-79%  
D = 60-69%    F = 0-59%

An "I" grade may only be given when a student has failed to complete work due to legitimate reasons. An "I" must be made up within two weeks from the end of the marking period. Failure to submit missed work within two weeks will result in the missing work being graded as 0% by the teacher before calculating the letter grade for the marking period.

For each course, the final grade is calculated as follows: 25% for each of the four marking periods.

## **ADVANCED CREDIT/HONOR COURSES**

The following courses are weighted in value. Unlike a traditional course, these courses are worth more towards the final grade point average. See column below under Advanced Credits.

- Academic Algebra 2
- Academic Biology 2
- Academic Calculus

### REPORT CARDS

After each of four nine-week marking periods, a report card is prepared for each student. Approximately one week after the end of the first three nine-week marking periods, the report cards will be sent home with the student. The final report card will be mailed to the students.

In addition to letter grades, this report includes attendance and occasionally teacher comments. Parents should pay particular attention to any major fluctuations in grades.

### **FAILURES - RETENTIONS**

As a general guideline, students in Grades 07 and 08 will be retained for failing two or more major subjects. Major subjects are those subjects that meet every day for the entire school year. Students in Grades 09 through 12 failing two or more required subjects will be retained in the current grade level homeroom if the courses are not successfully completed by the start of the following school year. Students who failed courses may possibly take these courses during summer school, or through private tutoring which has been cleared through the Guidance Office before the tutoring takes place. The cost of summer school or tutoring is the responsibility of the student and guardian. Contact the Guidance Office for details.

In accordance with Redbank Valley School District Policy Number 215, "The building Principal shall be assigned the final responsibility for determining the promotion or retention of each student." In the case of mitigating circumstances, this decision will only take place after consultation with a student's guidance counselor, and classroom teachers.

### **COMMENCEMENT CEREMONY**

Participation in the commencement (graduation) ceremony is available to all qualified graduating seniors in good standing. Seniors participating in commencement are required to attend all rehearsals unless previously excused by the Principal. Requests to be excused from rehearsals must be presented in writing to the Principal prior to the absence. Requests should be only for extraordinary reasons and not for routine business or employment. Seniors absent from scheduled rehearsals without prior approval will not be permitted to participate in the commencement ceremony. Attendance at commencement is a privilege that may be revoked for appropriate cause. If a student has

earned a diploma but does not participate in commencement for whatever reason, he or she will be issued the diploma any day after the commencement ceremony.

### **HIGH HONORS & ACADEMIC HONOR SOCIETY**

Determination of students graduating with high or highest honors will be declared using grades compiled through the fourth nine-weeks period of the Senior year.

Additional recognition may be granted to students in grades 10, 11 and 12 by induction into the National Honor Society. Criteria for the National Honor Society is a 3.5 or higher GPA at the end of the third nine weeks. Any senior with a GPA of 4.0 or higher at the end of the fourth nine weeks will be awarded a High Honors medal at graduation ceremony. Any senior with a GPA of 3.5 to 3.99 at the end of the fourth nine weeks will be awarded an Honors medal at the Commencement Ceremony.

### **PARENT/GUARDIAN SIGNATURE FORMS**

Parents/guardians will be required to sign and return four forms at the beginning of the school year. These include an Emergency Information Card, an Insurance Waiver Form, a Computer Ethics Form, and a Signature Form signed by both parent/guardian and student after reading the Student Handbook and agreeing to comply with all aspects of the Handbook. Not turning these forms in will result in disciplinary action. For convenience, some of the forms are available to be filled out online.

### **POSTERS AND SIGNS**

The principal must approve all posters and signs. Generally these are restricted to school functions. Persons posting signs and posters are responsible for their removal and cleanup.

### **FUNDRAISING**

All fundraising must be pre-approved by the Principal and will be limited to (2) activities per semester per club or organization. Fundraising in addition to this established maximum may be allowed at the principal's discretion for special

circumstances and must also be approved. Request forms are available in the Main Office. Nothing can be sold on school district grounds or at school-sponsored activities without prior administrative approval. No food items may be sold in or near the cafeteria immediately prior to or during lunch periods.

### **PHYSICAL EDUCATION**

Students are required to participate in physical education classes. Student unable to participate in physical education classes for physical, psychological or other compelling reasons will be assigned to adapted physical education. To be enrolled in adapted physical education, students must obtain a form from the nurse for their doctor to complete. The doctor must indicate in which activities the student may not participate.

If an illness or injury prohibits a student from participating in physical education classes for an extended period of time, a doctor's excuse must be submitted to the Nurse's Office. This excuse should indicate the nature of the injury or illness and the length of time necessary to be excused from physical education classes. The nurse will give this to the teacher.

A change of clothes is required when participating in physical education classes. Since there is no standard uniform required for physical education, the following dress is required: tennis shoes or sneakers (no black soled shoes, including hiking boots and any non-sneaker type shoe), white socks, white T-shirt and gym shorts (no cut-offs or swim trunks). It is recommended that proper foundation garments for girls and athletic supporters for boys are worn during class.

Valuables should either be locked in a gym locker or given to the physical education teacher prior to the start of class and collected at the end of class. The school is not responsible for missing articles missing from the locker room.

### **CAFETERIA CONDUCT**

Students will use the cafeteria facilities in a mature manner and will meet the following standards of responsible behavior:

1. Report promptly to the lunch hall and remain there until dismissed by the teacher on duty.
2. Follow procedures as instructed by the cafeteria staff and teachers on duty.
3. Obtain permission from a teacher on duty before leaving the cafeteria for any reason, such as using restrooms or the telephone.

The School District cafeteria program is a not for profit self- operating enterprise that complies with U.S.D.A. standards for nutrition and healthy living.

**FREE & Reduced Meals:** On the first day of school, applications for free or reduced price meals are provided to every student in homeroom. You can also obtain an application in the cafeteria office or by calling the Food Service Director at 275-2424. You may use last year's meal eligibility for the first 15 days in the new school year. A new application must be turned in to continue to receive meal benefits.

**Breakfast:** Served daily, except on days when the start of school is delayed, from 7:50 to 8:05 am. Breakfast is free of charge to all of our students. Students having breakfast must leave the cafeteria by 8:05 am in order to make it to first class prior to the tardy bell.

**Lunch:** Regular lunch price is \$2.75; reduced lunch price is \$.40. Payment can be made in the form of cash or check made out to “RV Cafeteria”. Each student has their own personal meal account. Students may withdraw money from their cafeteria account or use the money to purchase snack items. Parents, if you do not want your child to be able to withdraw money or purchase snack/extra food items, or would like a print-out of your child’s account activity, contact the cafeteria director at 814-275-2424, or e-mail [dreitz@redbankvalley.net](mailto:dreiz@redbankvalley.net) Lunch menus can be found in the local newspaper or at [www.redbankvalley.net](http://www.redbankvalley.net) Menus are subject to change without notice.

There is NO charging of snack items or extra food items. There will be no charging of any kind during the last 10 days of school.

## **STUDENT DRIVERS**

The school board provides bus transportation for students in accordance with state regulations. It urges students to use these buses for a variety of reasons including convenience, socialization, and the shortage of parking spaces available. However, the School Board recognizes that students may have a need to drive cars to school. Students who drive to school without being registered through the office will be dealt with according to the discipline code. Parking spaces will be given out in the following order:

1. Seniors in activities or with jobs.
2. Juniors in activities or with jobs.
3. Sophomores in activities or with jobs.
4. Students below 10th grade may only drive to school with special approval of the Principal.

### **CAREER CENTER TRANSPORTATION**

The bus transporting the Clarion County Career Center students to the area career center will leave the high school at 8:05 A.M. The buses will load from the gym area doors.

It is the policy of Redbank Valley School District and the Clarion County Career Center that students attending the Clarion County Career Center will be transported by bus to and from the Clarion County Career Center unless those students have received written permission from the Career Center Principal and our Principal to drive. Parents/guardians will be given notification of behavior problems of students riding the Career Center bus. Discipline offenses may result in suspension from the bus.

### **TELEPHONE USAGE**

All Student cell phones must be turned off and put away by 8:10 am. Students will not be called from class for telephone calls except in emergencies. There is a telephone for student use in the main office. They should not make telephone calls except in emergencies. Students must get permission from their teacher and the main office prior to using the office phone. Requests to leave class to use the telephone should be for emergency purposes only.

### **BOOK BAGS, BACKPACKS & GYM BAGS**

Students may bring book bags, backpacks and/or gym bags to and from school in order to transport personal and curricular items. The book bags, backpacks and gym bags must be placed in the lockers upon arrival in the morning and kept there until dismissal except for gym class. Students are reminded that school officials have the right to inspect these items upon request at any time.

## **LOCKERS**

Lockers are the property of the Redbank Valley School District and are provided to the student for storing curriculum-related items and clothing. The school has an obligation to insure that the locker is properly used and that no item placed in the locker jeopardizes the protection of the health, safety, and welfare of the students, faculty, school property, and the educational process. To fulfill this obligation school officials have the right to conduct locker searches. Students are not to expect privacy from school searches of lockers outlined in the following section, Right to Search. Locker searches will be conducted without regard to any individualized suspicion.

Each student is assigned his or her own locker. Students are not permitted to share lockers with other students. It is recommended that lockers be used infrequently during the school day to prevent being late to class.

**It is recommended that students not bring large sums of money or valuables to school. Students are responsible and encouraged to use locks to safeguard their possessions in their lockers. Combination locks are available for the student's use for \$4.50 in the office.**

**The District urges students to keep their lockers locked. To help maintain a "safe school" environment, only school-issued locks may be used on school lockers, including hallway and gym lockers. All other locks will be cut off at the owner's expense.**

**The school is not responsible for materials left in the locker or for items or money removed by other individuals.**

Should any of the following items be found in a locker, they will be confiscated and appropriate disciplinary proceedings instituted against the student in accordance with the Discipline Policy:

1. Knives, firearms, ammunition, firecrackers, smoke bombs, or any other incendiary or explosive devices;
2. Tobacco products, "look-alikes" and paraphernalia;

School officials reserve the right to and will randomly search any and all school property at any time there exists an immediate danger to the health, safety and welfare of others. These searches may encompass any and all items stored in lockers or in any other area of school property. In addition, school officials have the right to search students, their direct possessions, and automobiles parked on school property if there is reasonable suspicion that the student is in violation of any school rule or policy, or poses a threat to themselves or others while on school property. Searches may include, but are not limited to, the utilization of a certified police drug detection dog, metal detection units, or any other device deemed useful in protecting the health, safety, and welfare of the school population.

### **SCHOOL BUS REGULATIONS**

The transportation supervisor is responsible for establishing bus runs and assigning students to a particular bus. Students are not to ride any bus other than the one they are assigned. Students are to get on and off the bus at their assigned stop. Students wishing to ride a bus other than the one assigned must present a note to the driver upon boarding the bus, written by the parent/guardian and signed by a school administrator. This request can only be granted if there is seating available on the bus. A child getting off the bus at any stop other than his/her own without a permission slip signed by his/her administrator is in violation of school policy.

Students should be at the bus stop five (5) minutes prior to the scheduled arrival of the bus. When a school bus does not arrive at the bus stop on time, because of mechanical failure or

weather conditions, students are expected to wait a reasonable length of time, depending on weather conditions (reasonable time would be at least 1/2 hour). After that time, the child should return home and contact the school to determine the reason for the delay.

The following rules are designed for the discipline and safety of those riding a school bus. It is the pupil's responsibility to obey the rules established and approved by the School Board.

2. Students who must cross the road should cross 10 feet in front of the bus. Check traffic in both directions before proceeding across the roadway. Watch driver for signal to cross.

#### F. Bus Discipline Procedures

Students engaging in serious discipline problems on the bus, such as fighting or any other activity that endangers the health or safety of other passengers, may have riding privileges suspended by the Principal. The parent/guardian of suspended students is then responsible for transporting his/her children to and from the school safely. The bus driver will report the incident to the Principal on the "Bus Conduct Report".

1st Offense: Written warning by the driver

2nd Offense: 3-day bus suspension of riding privileges and a minimum of one hour detention.

Note: Students disobeying these rules may also face other appropriate disciplinary action.

#### **CARE OF SCHOOL PROPERTY**

Students are responsible for the proper care of all books, supplies, equipment (including computers/software and other computer equipment) and furniture supplied by the school.

Damage or unauthorized use of software on the computer system could result in students being asked to pay for the cost of correcting the system. Students should only be using the software provided by the school. Students shall not mark school furniture, walls, ceilings, floors or equipment with pen, pencil, paint or other instrument. Students shall not tamper with fire alarms, fire extinguishers, or any electrical systems.

Anyone who willfully destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of our students will be referred to the proper law enforcement agency.

**NOTE:** Students, who deface property, break windows or do other damage to school property or equipment will be required to pay for the damage incurred and disciplined according to the disciplinary code.

## **TEXTBOOKS**

Students must assume full responsibility for the care of the textbooks assigned to them. Books are issued by the subject teacher and must be returned to the same teacher upon completion of the course or withdrawal from school. If the book is not returned the student will be assessed a prorated cost for its replacement. The student will be required to pay full price for books less than one year old, for older books the book will depreciate 10% per year. Responsibility for textbooks rests with the student to whom the textbook is issued. The loss of books due to theft or other circumstances will not be accepted as an excuse for non-payment.

If student pays for a lost book and it is found and returned, a refund will be made to the student. If books are damaged, the student is required to pay damage charges up to the original price of the book, depending on the degree of damage and the condition of the book when it was issued. Students will be assessed \$15.00 for each book assigned to them that requires it be rebound in order to be used the next year. If a textbook is lost, the student will pay the current cost of replacing the same textbook.

## **RESTROOM PRIVILEGES**

Students are to use the restroom nearest their classroom. No one is to be excused from class except in case of emergency. Only one person is to be excused from a room at a time. Students must carry a hall pass or a room pass any time they are in the halls during class periods.

the restroom during a class, the following procedures should be observed:

- 1. Ask the teacher's permission.
  - 2. Follow procedure established by the teacher.
- C. Students should not assume that a teacher must honor every request. In cases where a student takes advantage, a request may be denied.
  - D. Restrooms are there for your convenience. Report immediately any restroom damage or malfunction to any staff member.

## **VISITORS**

All visitors must obtain a visitor's pass from the Main Office. Passes are only issued to those who are visiting specifically to contribute to the academic program or extracurricular program. All visitors must enter through the main entrance. For reasons of safety and the smooth operation of the school, those not obtaining a pass, those who are on school grounds without permission, and those who have been denied permission to be on school grounds will be considered to be criminally trespassing and may be prosecuted.

At least one day before bringing a visitor to the school, you must inquire at the office to see that the visitation will be permitted. If permitted, the visitor will be given a special pass from the office. Visitors of school age should reside 30 miles from the school district or further.

Visitors will not be allowed to disturb teachers during classes.

## **EMERGENCY INFORMATION**

Emergency contact information is maintained for all students. Please inform the Guidance Office immediately of a change of guardianship, address, phone number or other information required on the emergency card.

## **LOST AND FOUND**

Students who find lost articles are asked to take them to the office where the owner can claim them.

## BULLETINS AND ANNOUNCEMENTS

Student announcements for the day are made over the television during Period 1 and on the typed announcement sheet distributed by the office.

If a student wishes to have an announcement made regarding a school activity, he/she must have the announcement initiated by the advisor. All announcements must be printed on the announcement form and returned the form to the Main Office by 3:00 p.m. on the day before the announcement is to be made.

## FIRE DRILLS

An effective fire drill is governed by these few fundamental rules:

1. When a fire alarm is heard, the students are to move quickly and quietly without talking, running, or pushing to the nearest emergency exit and then proceed away from the building as directed. It is mandatory that students from each class stay as a group.
2. Gaps in the fire drill lines are to be kept closed. Students are not to wait for friends.
3. During a drill, an exit may be closed to simulate a condition which could happen during an actual fire,
4. The exit procedure will be posted near the door of each room.
5. An "All Clear" announcement must be made before students may return quietly to classes.

## DRESS AND GROOMING

1. Hair length is optional. At no time may hair interfere with a student's vision. Hairnets may be required in areas where the length of hair may become a safety hazard (i.e. operation of moving machines as in industrial arts and/or vocational agriculture classes). Curlers are not permitted.
2. The length of skirts, dresses, skorts, and culottes is appropriate if no shorter than the fingertips when standing straight with arms straight down. 8. Baggy pants may only be worn if they are the appropriate waist size, and with the belt line at the waist.
9. Apparel with sexually suggestive, vulgar, or obscene messages or apparel that advertises or advocates drugs, tobacco, alcohol, or lethal weapons is not permitted.
10. No hats, head coverings, sweatbands, bandanas or non-prescription sunglasses are to be worn during the school hours.

13. Visible body piercing, with the exception of the ears and nose, is prohibited.
14. Band-aids covering piercings are not permitted.
15. Spacers in ears and visible bull ring/studs in the septum are not permitted.
16. Any other extremes in dress or body piercing that create a disturbance in the educational process of the school are prohibited. The principal will make the final decision in this regard.

A student may be sent to the office for any dress code violation. Final judgment is at the discretion of the principal.

## **NURSE'S OFFICE**

A student becoming ill during the school day should report to the nurse after first reporting to his assigned area. All students reporting to the nurse must have passes. When the nurse deems it necessary she will inform the parent/guardian of the problem. If a student leaves without permission he/she will be considered truant. When the nurse is not available, students who are ill should report to the office. Students returning to class must have a pass signed by the nurse or by the office. No student is to be found loitering in the nurse's office or leaving the building without written permission. The nurse is not permitted to administer any medication other than that prescribed by a physician or approved in writing by a parent/guardian; however, students taking medication in school must register with the nurse.

All medications, short term, as well as daily medications, must be left in the nurse's office.

## **STUDY HALLS**

Study halls are for study; therefore, all students must have study or appropriate reading material. Disruptive behavior will not be tolerated. Group work is only allowed per teacher's discretion. Students desiring to see a teacher other than their study hall teacher must have previously obtained a pass from that teacher. Students who are late because they are obtaining a pass will be marked late, and the study hall teacher may choose not to honor the pass.

A pass from another teacher will excuse the student from the study hall for the entire period. The pass must be filled out completely. The student must deliver the pass to his/her study hall teacher at the beginning of the study hall period.

## **LIBRARY**

Your library is the resource center for research and for reading. It should not be considered as a place to "escape" study hall or to meet friends for fun and conversation.

You may obtain passes to come to the library from your teachers who assign research or

reading assignments to you. A research or reading assignment is defined as an assignment or project that requires library resources. If the library is open during a study hall, students may report straight to the study hall and sign in there. A sign up sheet will be delivered to the study hall teacher.

## **LIBRARY DISCIPLINE**

Library rules of conduct are discussed with each group of 7th Grade students and with new students. Students violating these rules will be placed in the disciplinary code as described in the Student/ Parent handbook. In addition, students will lose their library privileges in the following manner:

1st Violation = Loss of library privileges for one week.

2nd Violation = Loss of library privileges for two weeks.

3rd Violation = Loss of library privileges for one month.

4th Violation = Loss of privileges for remainder of the school year.

If a student has had his/her library privileges removed and is assigned research to complete from a class, the student must obtain a special pass from his/her teacher indicating the use of the library is necessary for the completion of a classroom assignment and present the special pass to the librarian. If the student violates the rules during the use of the special pass, then the student loses the special pass privilege and must complete the research outside of school.

The library is a place for quiet work or study. Socializing, excessive noise and frequent, purposeless visits are not permitted. Conduct which is disruptive and/or prevents others from working will result in the student's being sent back to study hall or class. Students who are consistently disruptive in the library will be denied use of the facilities during school hours for specified periods of time, and action will be taken according to the disciplinary code.

Students will be charged the replacement cost for irreparably damaged or lost materials.

## **PLAGIARISM**

The Redbank Valley School District is committed to strict standards of academic

integrity and to helping students develop intellectually, creatively, and ethically. Honesty in all assignments is essential to the maintenance of such standards.

### **Definitions**

**Plagiarism** is the presenting of ideas or statements of another writer without crediting the original source. Plagiarism is theft, even when it is unintentional. Plagiarism can occur in several ways. A writer commits plagiarism if s/he quotes a source without using quotation marks, or paraphrases a source without giving credit. Plagiarism also occurs when a writer summarizes a source's ideas or observations without giving credit to the source.

Examples of various types of plagiarism include but are not limited to the following:

1. Stealing, borrowing, buying, copying or taking credit for another person's work (i.e. Homework, reports, take-home exams, tests and research papers, music, art, etc.)
2. Failure to cite a direct quotation.
3. Failure to cite a paraphrased passage.
4. Failure to provide a bibliography that reflects the research.

Substituting a few words of a direct quotation and calling this "paraphrasing" still constitutes plagiarism because most of the words remain the words of the source.
